

DC PRESERVATION LEAGUE | PRESERVATION INITIATIVES GRANT GUIDELINES¹

Mission

The Preservation Initiatives (PI) Grant Program provides matching grants to individuals and non-profit organizations for preservation planning, research, outreach/education, and bricks and mortar projects related to historic and cultural sites. These grants are intended to help stimulate public discussion, introduce the public to preservation concepts and techniques, make technical expertise accessible, and encourage partnerships.

Funding Source

The Preservation Initiatives Grant Program is administered by the DC Preservation League. The program is supported by three separate funding sources:

Brightwood Car Barn Fund:

GOAL

The goal of the fund is to provide the widest possible distribution of funding to the Brightwood Community and Ward 4 of the city to enhance the citizens' knowledge and understanding of historic resources in the community that add to the area's unique cultural heritage.

SOURCE

The Brightwood Car Barn Preservation Initiatives Fund is supported by mitigation funding paid by the owner of the building, Missouri Avenue Development Partners, LLC, as a result of the demolition of the Brightwood Car Barn in 2011. (*Square 2986/ Lot 856 -Old Lot 4*)

Eligible Properties

Listed or eligible properties located in the Brightwood neighborhood or Ward 4 of DC

Mid-century Modern & Religious Properties Fund

GOAL

The goal of the fund is to provide city-wide distribution of funding to enhance the citizens' knowledge and understanding of Mid-century Modern (c.1933-1976) and/or historic religious architecture in Washington.

SOURCE

The Mid-century Modern & Religious Properties Preservation Initiatives Fund is provided by ICG 16th Street Associates, LLC in connection with the redevelopment of the former landmarked site at 16th and I Streets, NW into a mixed-use project incorporating a new home for the Third Church of Christ, Scientist. (*Square 185/ Lot 41*)

Eligible Properties

Listed or eligible properties in DC considered to be Mid-century Modern in style and/or a religious property.

Virginia Avenue Tunnel Fund (in consultation with the DC SHPO)

GOAL

The goal of the fund is to distribute funds within the geographic area surrounding the Virginia Avenue Tunnel Reconstruction Project that will be used to preserve, restore, research, identify and evaluate, interpret or otherwise benefit historic resources within the project area. (See Area of Potential Effect Map)

SOURCE

Funds for the Virginia Avenue Tunnel Grant Project were provided by CSX Transportation Inc., and through the DC Historic Preservation Office as mitigation for adverse effects associated with reconstruction of the historic tunnel in accordance with Section 106 of the National Historic Preservation Act.

Eligible Properties

Listed or eligible properties located within the Virginia Avenue Tunnel Area of Potential Effect

¹ Adopted by the DC Preservation League Board of Trustees

Grant Cycle

The Preservation Initiatives Grant operates on a six-month cycle (contingent on funding available after each cycle). Awarded projects must be completed within one year of signing the grant agreement.* Applicants may only hold one open grant administered by DC Preservation League at a time.

*Bricks & Mortar projects are allowed up to two years for completion.

Grant Application Deadlines:

See DC Preservation League Grant Website for application deadlines (specific to funding source):
